## SPRINGDALE SPLINTERS.

A Writer Who Hears to the Line, Regardless Where the Chips Fall.

Mrs. William Cruey of Huntington, W. Va., is visiting friends and relatives here.

Miss Clara Dezman left for Foxport, Fleming county, Saturday, and will begin teaching near there Monday, August 3d.

Mrs. J. W. Tully of Cottageville and Mrs. F. P. Tully of Manchester, O., were guests of Mrs. Dugman at Maplewood Thursday.

Elder White is engaged in an interesting meeting at Valley, and disappointed the congregation at Bethany Sunday for the first time since he began his services here, nearly two years ago.

Mr. Boyd White came down from Tollesboro to attend services at Bethany Sunday. His short talk to the congregation proves him to have had the Eunice and Lois training. We hope some of the young men of our community will follow his example.

The hardest rain of the season visited us Saturday. Much damage was done to roads and bridges and the destruction of growing crops was enormous. Several large fields of corn were laid flat by the rushing waters and left covered with mud and drift.

Mrs. C. M. Redman gave an elegant 5 o'clock tea Friday in honor of the 73d birthday of her mother, Mrs. Julia A. Webster. A number of relatives and friends were present and a most enjoyable evening was spent. Mrs. Webster, though in feeble health, was able to preside at the table and serve the guests with old-time grace, which table, with its tempting array of viands and glittering with its polished glass and silver, was beautiful in the extreme. Although suffering much bodily affliction, her constant cheerfulness and patience is remarkable and only equalled by her industry, she having, during the last twelve months, pieced nine quilts, one of them containing nearly 3,000 pieces, and assisted her daughters in quilting eleven others, the work being beautifully done. She has passed through many afflictions, but like a true Christian acknowledges many blessings, not least of which is the loving care of dutiful children. That she may live to entertain us with many more as lovely teas on as many birthdays is the prayer of her friend the writer.

## MOUNT GILEAD MENU.

What Our Good Friends Have Been Doing Since Our Last Report.

Miss Annie Green is again at home.

Mr. William Cooper visited the family of Mr. H. C. Stone last week.

Mr. and Mrs. Jeff Hauga are at her father's, Mr. John Breeze, for a while.

We are having too much rain for tobacco, though not so damaging as in other sections.

Mr. and Mrs. Marion Tolle spent several days last week with Mr. Howard Farrow's family.

Master Harry Wallingford is now associated with Master Kinzie Stone to assist in saving a fine crop of tobacco.

Mr. and Mrs. Tom Doolin of Fayette spent several days last week with her aunt, Mrs. Jepp Calvert, and his home folks.

Mrs. Champe Farrow returned last week from a visit to relatives, accompanied by her daughter, Mrs. Terry, and children.

Mr. and Mrs. J. L. Savage went to see her brother, Mr. Billie Davis in Mt. Carmel, who is very sick, threatened with typhoid fever.

Mr. H. Clay Stone and family visited Mr. Joe Wallingford near Nepton, and some of the party were delighted to hear one of Bro. Scudder's excellent sermons at Elizaville from the text "Be of good cheer," etc.

Potatoes are taking the second growth, and so large that one of the extraordinary stories told is that Mr. —, failing to excavate one with a grubbing-hoe, put a rail under it and with the help of a neighbor broke the rail without budging it. He then concluded if he could succeed in getting it out and up to the house he would ram it out and make a cinder out of it; or if his mind should be diverted from that, he would put dynamite into it and blow it to pieces.

Mr. William Cooper, while in our midst the other day, when reminded of the ball that went through Editor Davis's skylight, said he saw half fall in Missouri the size of a quart measure. Although discredited, he could prove it by his brother, Dr. Bob Cooper, formerly of Orangeburg, if living, and said the fencer looked like they had been beaten with sledge hammers, and when after it occurred, he shelled two bushels of corn and took it two miles to the mill the ball was yet on the ground as large as turkey eggs. This occurred in April over forty years ago.

For Pure Drugs call on Henry W. Ray, successor to Theo. C. Power, next door to Postoffice. Prescriptions a specialty.

The Latest News From All Parts of the Commonwealth.

### MASS MEETINGS.

Of Gold Democrats to Be Held in the Different Counties of Kentucky to Select Delegates for a State Convention.

LOUISVILLE, Ky., Aug. 4.—The gold standard democratic executive committee have issued a long address to the democrats of the state calling on them not to support the platform and nominees of the Chicago convention.

The address in part is as follows: The Chicago convention openly repudiated all previous democratic platforms and principles; and enunciated reckless, dangerous and un-American creeds, many of which have been traced back to the populist and greenback conventions, or to the pronouncements of populists or socialists. It declared for what would lead to repudiation of national and individual obligations and credit. It formulated a scheme for debasing the nation's money, under which the established standard of values would be reversed, the purchasing power of the wages of labor be reduced in half, and our nation be set back from its financial place among enlightened peoples to a monetary fellowship with Mexico, Nicaragua, Peru and the silver monetary nations of Asia.

"A platform with a candidate that has thus sought to be, and has been received into enthusiastic fellowship by the populist St. Louis convention and who has thus openly declared his determination not to support the party, can not seriously expect to be accepted as the platform and the candidate of the democratic party."

The address concludes by calling democrats who are against the Chicago nominees and platform to meet in mass meetings in their counties August 15 and select delegates to the state convention, which meets in this city August 30.

### MADE HER WALK HOME.

An Incident That Caused an Early Morning Killing at Bowling Green.

BOWLING GREEN, Ky., Aug. 4.—Erasmus Johnson shot and instantly killed Lou Redmond in Jenkins Bros.' stable here Monday morning. It seems that Johnson was out driving Saturday with the sweetheart of Redmond, and from some unknown cause made the girl get out of the vehicle and walk home, a distance of several miles. This failed to meet the approval of Redmond, and he called on Johnson Monday morning to settle the matter, and told him he was going to kill him, when Johnson drew his pistol and fired two shots, with the above result. The coroner brought in a verdict of justifiable homicide. Both parties are colored.

### Typhoid Fever Epidemic.

RICHMOND, Ky., Aug. 4.—Parties arriving here Monday from Berea report an epidemic of typhoid fever in that locality. Several deaths have already occurred, and more than forty cases are reported, two and sometimes three and four in a single family being down. The three physicians there are kept busy attending to the sick. There are no cases at the college. Bad water and excessively hot weather are given as the cause of the epidemic.

### Wronged Husband's Revenge.

FLEMINGSBURG, Ky., Aug. 4.—At Sherburne, about twelve miles from here, Bill McKee shot and killed Jerry Roby. Roby seems to have been too intimate with McKee's wife. McKee fired two shots, one took effect in the left eye and the other in his right breast. McKee made his escape. The officers and a posse of citizens are scouring the country for him. If he is captured there will probably be a lynching. All are colored.

### Ambushed a Minister.

RICHMOND, Ky., Aug. 4.—Rev. Henry Lewis, a well known minister of Letcher county, while riding along the road near the mouth of Coon creek, was fired on by unknown parties concealed in the bushes near the roadside, and perhaps fatally wounded. The ball entered his abdomen and penetrated to the bowels. His physician thinks his chances for recovery are hopeless.

### Chairman Harry Coming.

LOUISVILLE, Ky., Aug. 4.—The subcommittee of the old democratic national committee, who had charge of the arrangements of the Chicago convention, will meet here Thursday night to wind up the affairs of the committee. Two or three members of the Chicago citizens' committee will be present. Chairman W. F. Harry will preside.

### Insane Man Butcher's His Family.

PROVIDENCE, Ky., Aug. 4.—Near Clay, eight miles west of here, Tom Brown, an insane husband, terribly butchered his family at midnight. Mother-in-law, wife and baby were cut and beaten with an ax and will probably die. Brown went to a neighbor after the deed and asked to be shot. Brown is in custody.

### Silver Men Criticized.

LOUISVILLE, Ky., Aug. 4.—Father Tom Major, an ex-confederate soldier, in his sermon at Sacred Heart church, Frankfort, Sunday criticized the Franklin county silver men for carrying a cross of gold through the streets. He urged Catholics to take no part in a parade where such things were done.

### Colored Institute.

LANCASTER, Ky., Aug. 4.—J. Hunt McMurty, superintendent of public schools, is holding the colored institute this week, which is being largely attended by both white and colored. It will be in session all of this week.

### Red River Flood.

LEXINGTON, Ky., Aug. 4.—The Red river is higher than it has been since 1882. Crops in the bottom land are all destroyed and fences washed away. Thousands of dollars' damage has been done.

### Strangled to Death by a Towel.

WALTON, Ky., Aug. 4.—Idaho, the 14-year-old son of Gaines Robinson, was found dead hanging to a towel. It is believed he fell over while wiping his face, the chin catching in the towel.

Midvale Steel Co., 18 sets for 12 inch, 23.65 cents per pound; 15 sets for 12 inch, 23.65, and one set for 16 inch at 30 cents per pound.

Mortar forgings—Bethlehem, 60 more or less for 12 inch, 23.85 cents per pound; 18 sets for 12 inch 23.65 and one set for 16 inch at 30 cents per pound.

Finishing and assembling 12 inch mortars—Builders Iron foundry, Providence, R. I., 30 or more at \$3,750 each, less than 30 at \$3,876 each.

Completing mortars—Bethlehem Iron company, 30 complete, \$12,250 each over 20 at \$12,000 each.

Rapid fire guns—American Ordnance company, six pounds, Driggs, Schroeder type, \$1,565 each; Thomas Lane, six pounds with mounts, Maxim type, \$1,795 each.

Bids for deck piecing shells were submitted by the Carpenter Steel Co. and Sterling Steel Co. and the Midvale Steel Co., and ranged from \$102 and \$141 for the 800 pound shell to \$205 and \$175 each for the 100 pound projectile.

The same firms submitted proposals for furnishing armor piercing shot. For the navy two firms, the Bethlehem and the Midvale steel works, both of Pennsylvania, competed for \$1,000,000 worth of steel gun forgings for which bids were opened in the navy department Monday afternoon. These forgings are for use in manufacturing two eight-inch, fifty six-inch, thirty-five five-inch and twenty four-inch breech loading rifles. Although no limit except the appropriation was set for the cost of this material, Secretary Herbert intimated to intending bidders that he would feel bound to give no more for naval guns than congress had allowed to the army in the fortifications act, which was at the rate of 24 cents a pound. Both bids received Monday exceeded this amount, except in case of the two 8 inch rifles and it is possible that the contracts may not be awarded for these much needed weapons until congress raises the limit, or the steel companies reduce their bids. The bids were as follows: Bethlehem Co., 4 5/8 and 6 inch forgings, 26.5 cents; 8 inch forgings, 23.7 cents.

Midvale Co., 4 and 5 inch forgings, 27 cents; 6 inch forgings, 20 cents; 8 inch forgings, 23.0 cents.

The California express was in charge of Conductor Proctor and Engineer Gehn, and was drawn by engine No. 734. Nine passengers were injured, one or two of whom will die.

The Estate of the Late Eugene Field.

CHICAGO, Aug. 4.—An inventory of the estate of the late Eugene Field was filed and approved in the probate court Monday. In addition to an equity of \$1,000 in the deceased's Buena Park home there is \$5,863 in royalties from Charles Scribner's Sons due the estate; \$6,593 worth of books and furniture and \$100 in cash. The furniture includes a Gladstone ax and a Jefferson Davis chair, both of which are mentioned in the inventory.

Fined for Carrying Passengers.

CHICAGO, Aug. 4.—Watson Stephenson, ex-congressman, of Wisconsin, and one of the leading owners of freight vessels on the lakes, was brought before Deputy Collector John Hipp Monday and fined \$500 for carrying passengers on his boat, the Watson Stephenson. The passengers Mr. Stephenson carried were his own daughters and a few friends for a pleasure ride and no fare was charged. The case will be appealed to Washington.
